

## Try Before You Buy

- Test ChlorTainer for your 150lb. chlorine gas cylinder for 6 months
- Pay only for the on-site consultation fee and freight
- Vessel ships complete
- Simple bolt-down design is easy to install
- Keep the system, and pay the remainder of the price
- If you decide to return the vessel, simply pay for the return freight
- Absolutely no obligation to buy

*"This technology single-handedly saves the chlorine gas industry, allowing us to continue to use chlorine gas without having to convert to bleach as a disinfectant alternative."*

*- Scott Rovenpera, Benicia, CA*

*"Safety for our operators and the surrounding area [was the primary concern].... It seems to be a fool-proof system. Simplicity is the best ticket."*

*- Rick Roll, North Little Rock, AR*
